M-CR510

Network Receiver

Fill your favorite room with wonderful music

The Marantz M-CR510 is a network receiver in a slim, compact design that lets you enjoy Internet radio from all around the world as well as Spotify, Pandora, and other music streaming services in a clean, robust sound. Of course, this receiver also supports AirPlay® which lets you enjoy music wirelessly from your iPod touch®, iPhone® or iPad®. Connection to the network can be achieved wirelessly or via a wired LAN (using an Ethernet cable). Since the M-CR510 also supports high-resolution music streaming in 192kHz/24-bit WAV/FLAC format, you can enjoy high-quality sound that surpasses the quality of CD. With the receiver's optical digital input jack, you can even enjoy high-quality sound from your TV or other digital audio source. You can use the supplied remote controller to operate the M-CR510, or you can download the Marantz Remote App and operate it from your iOS or Android smartphone or tablet. The M-CR510 with its slim body and lustrous deep black cosmetics has been designed to grace your listening space with Marantz tradition and sophistication.

Enjoy versatile music content

- Online music service, Spotify, Pandora, SiriusXM Internet Radio^{*1}, Internet radio
